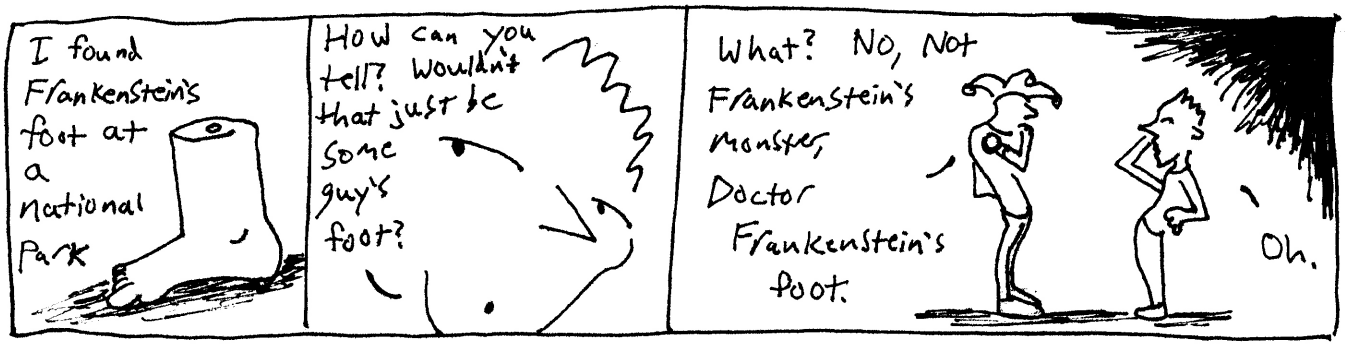
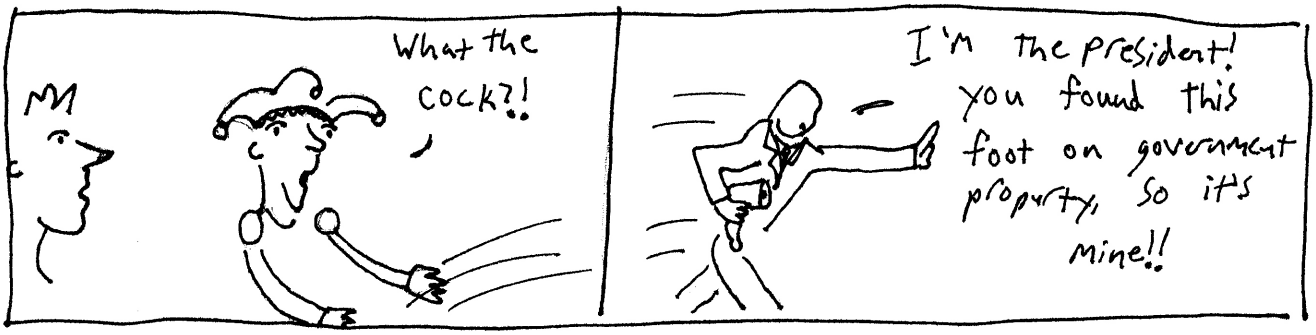
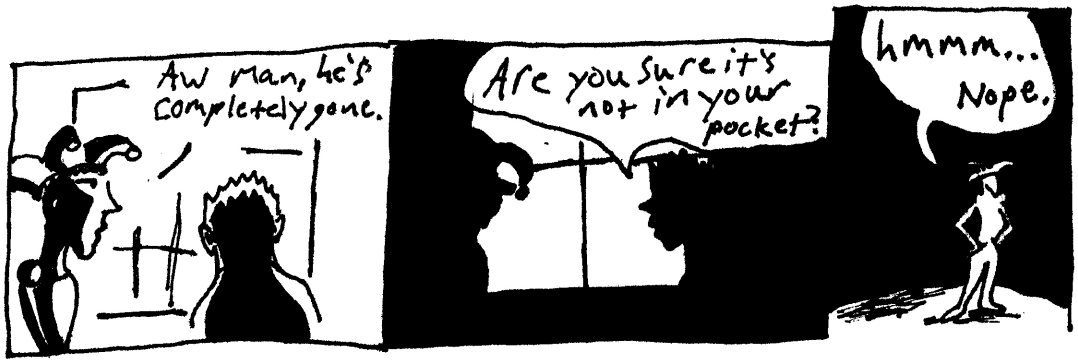
My god, I'm rich!
I'm driving in my car to tell my friend.
About it.
Friend, I'm gonna be rich.
Mmm?
No Background.



I found Frankenstein's foot at a national Park
How can you tell? Wouldn't that just be some guy's foot?
What? No, Not Frankenstein's monster, Doctor Frankenstein's foot.
Oh.



Mm
What the cock?!
I'm the president! you found this foot on government property, so it's mine!!

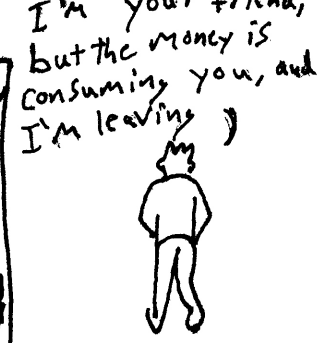


Aw man, he's completely gone.
Are you sure it's not in your pocket?
hmmm... Nope.

Damn.

Let's check the woods.
yeah.
Foo-oot!
Oh, Foot!
All I can find is this prostitute.

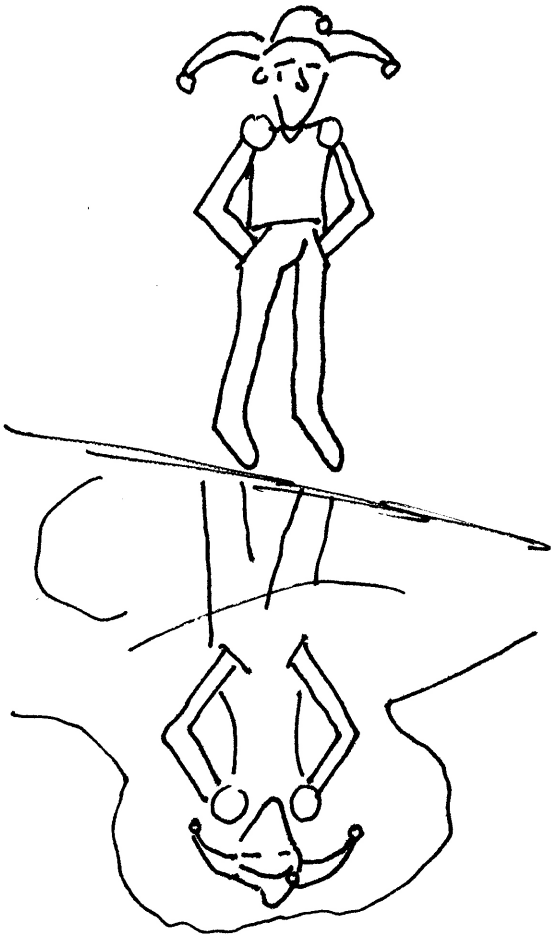
Oh yeah, duh, the president has it
Look, I think it's hopeless.
But I need that sweet sweet cash.



I'm your friend, but the money is consuming you, and I'm leaving.

But the truth is, I didn't care about the money.

I had grown attached to that foot.



So that's my story. The mean ol' president stole the only thing I love.
